FIRST STAKEHOLDERS FORUM IN HANI I ELEZIT – 28.10.2013

Sharrcem organized a local stakeholder's event, hosted by the Chairman of the CSR Committee, Mr Enver Curri wrapped by members of the CSR task Force. The event was held in the Community Culture Centre of the Municipality and was attended by the Mayor, Mr Rufki Suma and other high-ranking officials of the Municipality as well as a large number of citizens.

The Task Force has presented its 2012 CSR Report in full detail and its 2013 activities to the date, while the MD of the company has given a glimpse into the future plans and identified

priorities for social contribution. Under the note of the Chairman that this event aims to establish transparency through disclosure, the floor was given to the citizens and a fruitful exchange of ideas and information took place. It was for the first time that such an event has taken place in the community and we consider it a successful one, too, as the broad participation and interaction from the citizens side implied.

FIRST STAKEHOLDER ENGAGEMENT FORUM – 29.01.2014 PRISHTINA

The forum was organized by Kosovo CSR Network and Kosovo Chamber of Commerce. As the host of the event Sharrcem the cement producing plant, presented for the first time in Kosovo the report on the company's policies and practices of Sustainability and Corporate Social Responsibility (CSR).

And in this event were announced that with establishment of the "Business Activity Laboratory" (LAB), all the community of Hani i Elezit will benefit with creation of Small & Medium Entrepreneurships for development in the field of agriculture. This NGO will finance by Sharrcem and will be a separate entity from the company and led by an independent board as a non-profit association.

The forum was attended by the Minister of Agriculture, Blerand Stavileci, the Mayor of Hani i Elezit, Rufki Suma, the Minister of Trade and Industry, Bernard Nikaj, the Deputy Minister of Environment, Shpetim Rudi, representative from the Ministry of Labour and Social Welfare, Chairman of Kosovo CSR Network, Project Manager - Membership and Stakeholder Relations from CSR Europe and numerous other stakeholders from the donor community, institutions and

civil society, who supported the notion that all businesses operating in Kosovo are obliged to embrace CSR practices and to transparently report for their contribution to the community in which they operate.

LAB – STAKEHOLDER ENGAGEMENT FORUM – 06.05.2014 Hani i Elezit

Sharrcem continues to make investments whose beneficiaries are first and foremost the citizen and has allocated half a million euros for the Laboratory for Business Activities project (LAB) enabling the creation of Small and Medium Enterprises in the field of agriculture. Present at the meeting was the Mayor of Hani i Elezit Municipality, Rufki Suma Ministry of Agriculture, Forestry and Rural Development, Halit Hoxhaj, Evangelos Vergos, from the American school of Agriculture in Thessaloniki. He emphasized that positive results are achieved only through cooperation.

Many citizens who were present at the forum welcomed this project and expressed their willingness to cooperate for anything that leads to a better community as a whole.

The Laboratory for Business Activities (LAB) is solely initiated to support new, small and medium enterprises in Hani i Elezit, to create new sites of employment and reduce poverty. The project will focus on education, trainings, equipping and supporting enterprises in the field of agriculture.
